SUNDAY      Where: Radisson Hotel Providence Harbor  
9AM - 5PM      220 India St., Providence, RI

As channels and visionaries we must continue to focus upon the expansion of our gifts. Nudged by Spirit and by our own purposeful desire we now prepare to look deeper .

The main emphasis of this class is upon the depth and quality of the language, imagery and information we receive. Our exercises will now be guided by Master Spirit Teachers as they assist us in becoming true world teachers.

This class is designed for those who already have a basic knowledge of how to channel. This course will also assist those who desire to channel professionally. This is a unique opportunity to experience this class in one day instead of two. **Channeling I** or approval by Pepper required.
